The Board of Directors is hereby granted full power and authority to change said principal office from one location to another. (Change of location as approved by Board members on 08/05/2010)

ARTICLE III. MEMBERSHIP AND VOTING RIGHTS

Section 1. The owner of each Parcel shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any of the Parcels.

Section 2. The Association shall have only one class of voting membership which shall consist of all Parcel owners and said owners being entitled to one vote for each Parcel owned, provided however, Declarant shall be entitled to nine (9) votes for each Parcel owned.

Section 3. Every member of the Association shall be subject to the provisions of the Covenants, Articles of Incorporation and these By-Laws. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

Section 4. The membership held by any owner of a Parcel shall not be transferred, pledged or alienated in any way, except upon the sale to the purchaser of such Parcel, or upon the encumbrance of such Parcel. Any attempt to make a prohibited transfer is void, and will not be reflected upon the books and records of the Association. In the event the owner of any Parcel should fail or refuse to transfer the membership registered in his name to the purchaser of such Parcel, the Association shall have the right to record the transfer upon the books of the Association and shall issue a new certificate to the purchaser, and thereupon the old certificate outstanding in the name of the seller shall be null and void as though the same had been surrendered.

Section 5. Member in this Association shall automatically terminate when such Member sells and transfers his Parcel.

Section 6. In its discretion, the Board of Directors of the Association may, but need not, issue appropriate membership certificates evidencing membership in the Association.

Section 7. Each Parcel membership shall pay annual assessments in accordance with Covenants. The annual assessment shall be reviewed, established and modified as needed by the Board of Directors thirty (30) days prior to the start of the new calendar year. In the event the amount accumulated in the treasury is inadequate to defray anticipated or incurred costs, a majority of the Board of Directors shall have the power to assess members for such costs. Each member in the Association shall be personally liable for the payment of such regular assessments and special assessments for capital improvements as may from time to time be fixed and levied by the Board of Directors pursuant to the provisions of these By-Laws and Covenants; provided, however, that such levy must be applied in a uniform manner among all members.

Section 8. The Board of Directors shall establish the annual assessment as indicated above, and written notice of the assessments shall be sent to each owner and shall state the payment due date. If the assessments are not paid by the last day of the following month a penalty interest on the amount thereof shall accrue at the rate of 9% annually. Each such assessment, together with such interest, costs, and reasonable attorney fees, shall be the personal obligation of the person who was a member of the Association at the time the assessment fell due. Liability of individual members of the Association with respect to such assessment shall be in accordance with their percentage interest in general common elements as of the date of the assessments. The personal obligation of a member shall not pass to his successors in interest unless expressly assumed by them. All assessments plus interest must be paid by the annual meeting. Any payment under this section shall be considered received by the Association on the date it is actually received by the Secretary/Treasurer.

The Association may, at its option, bring an action at law against the member personally obligated to pay the assessments, and there shall be added to the amount of such assessment a late charge, the costs of preparing and filing the complaint of such action, and in the event a judgment is obtained, such judgment shall include said interest and a reasonable attorney fees, together with the costs of action. Each member vests in the Association or its assigns, the right and power to bring all actions at law against such member or other member

for the collection of such delinquent assessment. No action shall be commenced against a member for the collection of such delinquent assessments unless and until fifteen (15) days prior written notice of said delinquency shall have been furnished to said member by certified mail, return receipt requested, addressed to the owner of record of the Parcel to which said assessment pertains at his address as reflected in the books and records of the Association. Proof of mailing shall be established by one of the following: (1) a receipt signed by the Member or his agent; (2) the return of the notice to the Association reflecting that acceptance of said notice was refused by the Member or his agent; or (3) the affidavit of the party mailing the notice.

Section 9: Members will lose all voting rights for an entire year if their assessments are not paid in full by the date designated by the Treasurer. Those members under a payment plan due to a hardship are not exempt. Members voting rights will be reinstated for the following year or years that all assessments in arrears and current assessments are paid by the date designated by the treasurer. Thus, an H.O.A. member is deemed "eligible" to vote only if all assessments are paid. An H.O.A. member is deemed "ineligible" to vote if all assessments due are not paid. (Voted and approved by members of the Board of Directors on May 11, 2013.)

Section 10: Voting calculation

- A. The membership voting quorum is set at 33 1/3 % and cannot be lowered again by NM law.
- B. However, members who have lost their voting rights will be subtracted from the total membership level of 326. Thus, the quorum will be set on the adjusted membership of "eligible" H.O.A. members only.
- C. Members at the annual H.O.A. meeting may vote on issues on the agenda or other issues brought up during the meeting and not on the agenda only if a quorum is achieved by attendance at the meeting, or by achieving a quorum on the mailed or e-mailed ballot for the election of the board of directors just prior to the annual H.O.A. meeting. When any meeting of Members, either annual or special, is adjourned for 30 days or more, notice of the time and place of the adjourned meeting shall be given as in the case of any original meeting.
